

Reference Form

Thank you for being a reference for the individual(s) listed below. They have begun the adoption process, and for this purpose have asked that you provide a reference for them. Please fill out the questionnaire below as honestly and accurately as possible, and return it in a timely manner. This information will be kept strictly confidential. However, if this family is networking with other adoption agencies, your reference may be shared with that agency for adoption placement purposes. By signing this form you acknowledge that the information you provided is complete and accurate, and that it may be shared with other adoption agencies to facilitate the placement of a child in this family's home. Please feel free to call with any questions or concerns.
