

## Parenting Questionnaire

**Mother's Name:** \_\_\_\_\_

1. Describe your experience with babies and children, including baby-sitting, day care, teaching, interaction with family members and neighborhood children, coaching, and/or raising your own children.

2. Describe your child rearing philosophies and the behavior management/discipline techniques you use and/or plan to use:

3. What are your hopes for your children (such as spiritual, physical, emotional, intellectual)?

4. Describe your plans for child care upon placement of the child:

5. Have you had any parenting education classes? If so, which ones? If not, would you be interested in a referral for a parenting class?

6. Are you open to participating in family counseling, individual counseling, or additional family assistance systems? Please explain.

7. Do you have a guardianship plan for your child?
